Dear Mr Pomfret

**Re: ASME PIPELINE & WELDING SERVICES  
UNIT 1, BOLTON HOUSE ROAD, BICKERSHAW, WIGAN, LANCs WN2 4XU**

4Delivery Ltd have dealt with ASME Pipeline & Welding Services at the Budds Farm site during which time they provided the business with excellent support in the area of on-site welding of large diameter steel pipe-work. Their work, which is carried out to the highest standards, has been a major factor in meeting a tight construction programme, now forecast to be ahead of schedule.

ASME Pipeline & Welding Services' work was undertaken professionally within an excellent health and safety culture which was paramount on this job and they co-ordinated their works extremely well with numerous other sub-contractors at a very busy time of the project.

I can confidently recommend ASME Pipeline & Welding Services as a solid and reliable sub-contractor and experts in their field.

Should you require any additional information or clarification of any points please do not hesitate to contact the writer at the Budds Farm address.

Yours sincerely
