For the attention of Mr. Brendon Conlon

Dear Sir

ASME Welding

We employed the above to provide site welding services on a **700 0** steel sea outfall at Penmaenmawr 500m long, in tidal conditions.

We found ASME to be experienced / competent and helpful and have no hesitation in recommending to other contractors.

Should you have any further queries, please do not hesitate to contact me directly.

Yours faithfully  
For and on behalf of  
Daniel Contractors Limited
